My dear Mr. Jackson:

Thank you for your letter of 3 September 1946, stating that you would serve on the Board of Consultants for the Central Intelligence Group. It is extremely gratifying to know that we will have your support in this organization which can mean so much to our present and future security.

Since some of the members have previous commitments which preclude their attending the September meeting, the date of our first meeting has been tentatively set for Tuesday, 15 October 1946. Will you please let me know whether this date will be suitable to you?

I am confident that the results which will attain will more than repay you for your generous offer to serve on our Board.

Very truly yours,
